DEACTIVATION / ACTIVATION AND ELIMINATION OF COOKIES

To restrict or block cookies, it is done through the browser settings.

If you do not want websites to put any cookies on your computer, you can adapt your browser settings so that you are notified before any cookies are placed. Similarly, you can adapt the configuration so that the browser rejects all cookies, or only third-party cookies. You can also delete any of the cookies that are already on the computer. Remember that the configuration of each browser and equipment you use must be adapted separately.

Remember that if you do not wish to receive cookies, we can no longer guarantee that our website works properly. Some features of the site may be lost and you may no longer be able to see certain websites. In addition, rejected cookies does not mean that you will no longer see advertisements. The ads simply will not fit your interests and will be repeated more frequently.

Each browser has a different method to adapt the configuration. If necessary, consult the browser's help function to set the correct settings.

To disable cookies on your mobile phone, see the device manual for more information.

You can get more information about cookies on the Internet <http://www.aboutcookies.org>.

Taking into account the way in which the Internet and websites work, we do not always have information about the cookies placed by third parties through our website. This applies especially to cases where the website contains what are called integrated elements: texts, documents, images or short films that are stored elsewhere, but are displayed on our website or through it.

Therefore, in case you encounter this type of cookies on this website and they are not listed in the previous list, please notify us. Or contact the third party directly to request information about the cookies you place, the purpose and duration of the cookie, and how you have guaranteed your privacy.

Privacy policy

INTRODUCTION

Your privacy is important to us, so through this document, we will explain what data we collect from our users, how we use it, and why, among other guidelines. Those over the age of 14 may register themselves as users without the previous consent of their parents, guardians, or legal representatives. In the case of children under the age of 14 or identified as “legally incompetent,” we will always need the consent of their parent, guardian, or legal representative.

For your information, we will never ask for more details than we will actually need for the services required; we will never share it with third parties, except by legal obligation or with your previous authorisation; and we will never use your data for any purpose not previously specified.

As users, you should read this Privacy Policy carefully, on a regular basis, and every time you enter your personal data because this document may have been

modified. The provider can change any type of information that may appear on the website to comply with regulations or to update the policy without the obligation to give prior notice or inform users of said obligations, with publication on the website of the provider being sufficient.

THE PURPOSE OF DATA PROCESSING

The photographs that are posted on the website are the property of FINCA CA N'AI, S.L., including those of minors, for which prior consent from the parents, guardians, or legal representatives was obtained through the signing of forms made for that purpose by the centres that the minors form part of. Nevertheless, the parents, guardians, or legal representatives of the minors, as the holders of the rights of the same and always requiring formal written request, can withdraw their consent to use the image of the minor. In this case, the image will be displayed pixelated.

You can withdraw your consent at any time by sending a letter with the subject "Unsubscribe" to the aforementioned email.

According to the LSSICE, FINCA CA N'AI, S.L. does not engage in spamming and, therefore, does not send commercial emails that have not been previously requested or authorised by the user. Accordingly, in all the communications you will receive from the provider, the user has the possibility to withdraw their express consent to receive our communications.

We will not process your personal data for any purpose other than those described except for legal obligation or judicial requirement.

You will not be the subject of decisions based on automated processing that will have an effect on your data.

THE LEGITIMACY OF DATA PROCESSING

The legal basis for the processing of your data is the consent you grant at the time of entering your data in the corresponding form to accomplish the purposes, at the moment of ticking the checkbox.

Failure to provide the requested personal data or not accepting this Privacy Policy implies the impossibility of achieving the purposes described above.

In cases where there is a prior contractual relationship between the parties, the legal basis for the development of the administrative, fiscal, accounting and labour obligations that are necessary under the current legislation will be the previous existence of a commercial relationship between the parties.

The prospective or commercial offering of products and services is based on the consent that is requested from you and under no circumstances does the withdrawal of this consent have any bearing on the execution of the subscription agreement.

DATA RETENTION PERIOD

Your data will be retained for the duration of your commercial relationship with us or until you exercise your right to the cancellation, withdrawal, or limitation of processing. However, we will retain your data for the time required by law in accordance with the applicable provisions.

RECIPIENTS OF DISCLOSURES AND TRANSFERS

FINCA CA N'ÁÍ, S.L. does not perform any transfers or disclosures of data either inside or outside the EU. The provider will only provide information to law enforcement agencies under a court order or legal obligation, without prejudice to the ability to block or cancel your account if there are any indications that the user has committed any crime. The information provided will only be available to the provider at that time.

The information that you provide us both through this website and through the application will be hosted on the FINCA CA N'ÁÍ, S.L., servers, contracted from the company that provides the web hosting service. The processing of the data of the entity is regulated by a data processor contract between the provider and this company.

In addition, the provider uses certain tools to provide the services necessary for the development of its activity, which are able to store your data. These tools are as follows:

Google Analytics: to perform analysis and take measurements of the use that users make of the website through cookies. The information generated and collected by these cookies on use (including IP addresses) will be directly transmitted and archived by Google Inc., a Delaware company located at 1600 Amphitheatre Parkway, Mountain View (California), CA 94043, USA ("Google"), on their servers in the United States.

It is forbidden to publish any content:

- That is presumed to be illegal under national, community, or international law or that engages in activities that are presumed to be illegal or that contravene the principles of good faith;
- That violates the fundamental rights of individuals, does not show courtesy on the network, upsets or can generate negative opinions in our users or third parties and, in general, any content that FINCA CA N'ÁÍ, S.L. considers inappropriate;
- And, in general, that contravenes the principles of legality, honesty, responsibility, protection of human dignity, protection of minors, protection of public order, privacy protection, the protection of the consumer, intellectual, and industrial property rights.

Likewise, FINCA CA N'ÁÍ, S.L. reserves the right to remove any content that is considered inappropriate without previous notice from the website or the corporate social network.

In any case, if you submit personal information through the social network, FINCA CA N'ÁÍ, S.L. will be exempt from any liability in relation to the security measures applicable to this platform and to the user. If you want to know what these are, you should consult the specific terms of the network in question.

SENDING YOUR CV

In the event that the user submits their CV through our website, they are informed that the data provided will be processed by making them a participant in any selection processes that may take place, with the processor carrying out an analysis of the applicant's profile to select the best candidate for the vacant position. This is the only official method to accept your CV, so CVs submitted by any other method will not be accepted. In the event of any change in your data, please notify us in writing as soon as possible in order to keep your data properly updated.

The data will be kept for the maximum period of one year after which it will be deleted, guaranteeing total respect for its confidentiality both in the processing and in its subsequent destruction. In this regard, after this period, if you wish to continue participating in the processor's selection process, please send us your CV again.

The data may be processed by and/or communicated to the companies that are members of our group during the time your CV is retained and for the same purposes previously given.

BLOG SUBSCRIPTION

In the event that the user subscribes to the blog, the data provided will be processed to manage your subscription to the informational blog with an update notice that will be kept as long as there is a mutual interest in maintaining the purpose of processing. When this purpose is no longer necessary, the data will be deleted using the appropriate security measures to ensure the pseudonymisation of the data or the total destruction thereof. The data will not be communicated to third parties, except under legal obligation.

REMARKETING AND RETARGETING

Remarketing is a system that allows you to create tailored or personalised ads for the users who have previously visited a website, in this case, ours. It is a solution associated with Google AdWords to achieve a better return on investment (ROI). Remarketing inserts a cookie on the user's computer and the sites affiliated with Google AdSense with graphic ads will display a banner from the provider.

Retargeting is a technique that is used to display graphic advertisements on other websites to a user who has left our site without completing a process that we wanted them to finish (registration, purchase, request, etc.), thanks to a tracking system. These ads should be mainly geared towards achieving the conversion of the objective of our website.

The information we gather through these features is collected by cookies from Facebook, Twitter, DoubleClick, and Google AdWords. You can learn about the data these cookies collect in the Privacy Policies for each service:

- Facebook
- Twitter
- DoubleClick
- Google AdWords

If you do not want this information to be collected by these cookies, disable the use of cookies on Google through Google's ad settings. You can also disable the use of third-party cookies through the Network Advertising Initiative's opt-out mechanism.

This type of service allows you to interact with social networks or other external platforms. The interactions and information obtained by the provider will always be subject to the user's privacy settings on each social network. If a service is installed that allows you to interact with social networks, it is possible that, even if the user does not use the service, it will collect web traffic data related to the pages on which it is installed.
